3:00-4:00	Teacher scheduled Non-Instructional Time (planning, collaboration, family engagement, meetings)					

Kindergarten Learning Schedule Description

Our kindergarten schedule will be adjusted and modified for the first weeks of school as we all build stamina and capacity for online learning. This modification happens in our in school classrooms every fall with incoming kindergarten classes.

9:00-9:30 Live Morning Meeting (*required attendance*)

Students will meet live with their class and teacher to build community.

9:30-11:45 Academic Learning Time

Literacy and Math will be our focus during this time. Your child will engage in a variety of lessons and activities during academic learning time. As kindergarteners build stamina, this academic learning time will grow to fill the whole morning.

What can you expect during On-Screen Learning?

- **Seesaw Activities** - *This is our online academic classroom. Your child will find daily and weekly assignments on their personal Seesaw page. Teachers will post integrated science, social studies, writing, math, and language arts assignments for each student using this platform.*
- **Lexia Core 5** - *This is our district's self-paced literacy learning program.*

- **Dreambox** - *This is our district's self-paced math learning program.*
- **Small Group Live Meetings (required attendance)** with your child's teacher and/or support staff. Your child will have a set literacy and math meeting schedule.
- **Flipgrid** - *This is an online app that enables students to share with classmates by recording videos in response to a teacher posted lesson or topic.*
- **Epic** - *This is an online website students can visit to read and listen to a variety of books.*

What can you expect during Off-Screen Learning?

- Projects
- Hands-On activities
- Quiet reading time
- Snack
- Crafts
- Investigations and exploration time
- Journal Writing Time
- Fine Motor practice
- Challenges
- Exploration

11:45-12:00 Live Sharing Circle (required attendance)

This is a live meeting with classmates and the teacher. It is our time to check in and share learning experiences from the day so far.
