

Fall Book Project:

Original Book Jacket

This is a required reading project for all students 4th Grade.

Due: Thursday November 3, 2011

Create an original BOOK JACKET for a book you have read & enjoyed in 4th grade.
You may use the white construction paper provided by your teacher, or construction paper of your own.

Your book cover will have four parts:

- Part 1: an eye-catching, interesting front cover**
 - Use original artwork to create a front cover that will catch a reader's eye. Be sure to use elements from the story in your cover art. Your cover must include the book's complete title and author's name.

- Part 2: an interesting description of the story on the inside front flap**
 - Use story details and complete sentences to give the reader an overview of the story. Be sure you don't give away the whole story, but give just enough details to attract a reader.

- Part 3: a written recommendation of the book on the inside back flap**
 - Use complete sentences to write a recommendation for this book.
 - Be sure to tell:
 - what you most enjoyed about the book and why
 - who would most enjoy this book and why
 - what you would rate the book on a 5-point scale (5 = best, 1 = worst),

- Part 4: 2-3 statements of praise on the back cover**
 - some examples:
 - “A great story for mystery lovers!”
 - “If you like action, you will love this book.”
 - “This book will make you laugh.”

Due: Thursday November 3, 2011
