READING & WRITING

HOMework ROOM 346

Nightly homework will consist of twenty minutes of independent reading and ten minutes of writing. Students should be practicing reading chapter books from start to finish. Writing can be telling about your day, responding to what you are reading, or simply writing about what ever is on your mind. These are not DIARIES! So, please read what your child has to say and feel free to respond to them.

Students will need a special at home writing journal. The goal is to write for 10- minutes (they may write more) a day. They can write for 5 minutes in the morning and 5 minutes at night as long as they get in 10- minutes. Begin each day's writing with the **date and time**.

My expectation is to read and write at least five nights a week. Weekends can be used as make- up days.

Writing Journals will be collected on the assigned Friday and Returned on the following Monday. Please refer to your child's group and due date below.
