

Attention Parents and Campers,

We are quickly approaching our Deep Portage overnight field trip days. There are just a few details we wanted to cover with you before we go.

Please have your child to school all packed and ready to go by 7:15 so we can load the buses and leave by 7:30. Contact your child's homeroom teacher if you will need help getting your child there on time. Pack compact... make sure sleeping bags are securely tied and preferably in a bag. Pillows and books to read may go on the bus with your child.

Give any medications, and directions for them, to your child's homeroom teacher.

Do NOT send any treats with your child. We have treats for the children already. We want to be sensitive to the wheat, peanut/tree nut allergies we have in the group; whether on the bus, in the cabins or during class time... PLEASE, NO EXTRA TREATS!

Also, remember to send in the remainder of your payment as soon as possible.

Thanks! We appreciate all your help in the preparations!
